CRAZY QUILTERS GUILD NEWSLETTER – December, 2019

From the President

By Vicki Nardone

“Tis the season to be jolly...!” As many of you know, I adore Halloween, but the truth is, I just love this time of year. Days are finally chilly, nights require coats, and the lights – oh my, the lights!

It has been a particularly wonderful year for me, and it finishes with a big bang – two weeks in Europe visiting friends, Christmas markets, and dinner in the Great Hall at Harry Potter Studios!

I will not, unfortunately, be in attendance at our holiday event, so let me take this opportunity to wish you all a Happy Thanksgiving, Merry Christmas, Happy Hanukkah, or whatever else it is that you celebrate at this time of year.

I also want to thank you for your dedication to the club, for the work that you have done and continue to do, and for your trust in the Board.

Best wishes and a happy new year to all!

Be well, Vicki

PROGRAM NOTES

The presentation at the November Guild meeting was Tina Curran. Tina is an Art Quilter or a Quilter of Art.

Here's some information from Tina's website:

One of the great thrills with this art form is that my options are as infinite as those of a painter working on canvas -- landscapes, portraits, geometric patterns, abstract impressions, etc. I enjoy both the deep American roots of traditional quilting and the unlimited possibilities today's art quilts present. Combining elements of both extremes is great fun, as I often use contemporary fabrics in century-old quilt patterns.
