Mary Tabar Embellishment for Quilts

Mary Tabar is going to be the presenter at our April meeting. She is a fiber artist from San Diego who enjoys fabric dyeing and quilting. She is the author of a line of patterns called Snip& Flip. She is passionate about teaching and traveling to educate others in textile art. Art arises when the secret vision of the artist and the manifestation of nature agree to find new shapes (Kahlil Gibran). She would like viewers of her art to stop, imagine and enjoy their experience.

Her presentation will be about nine Surface Embellishments: Fabric College, Stenciling, Machine Appliqué and Swarovski Crystals, Crayons, Inks and Fabric Markers, Applique Silk Flowers, Photo Printing, Discharge Dyeing, Machine Embroidery, Free Motion. These will all be shown with a quilt. Mary will present a trunk show of her quilts.

Center Square Technique

Happy April! This month, we will be celebrating spring in all of its glory. In addition to the beauty of spring, this month we observe and celebrate Passover and Easter. I wish you all memorable April holidays.

This tidbit introduces you to one of Donna Jordan's free patterns called "Twinkle Little Star". I just recently discovered Jordan Fabrics (jordanfabrics.com) thanks to my dear friend Shari Riter. I have really come to love this company..
