I'm very happy to announce that our members have already made about half of the quilt tops and about one-third of the 39 quilts have been completed for the Firefighters at Laguna Woods Station 22! Our quilters are amazing!

Now we need some help with quilting! Backing and batting and thread will be provided. **Donna will share her fire-theme digital pantographs with long arm quilters upon request.** If you are interested in quilting a firefighter quilt, please contact Donna at dkarbach2000@gmail.com or text to 650-278-1949

Please bring your completed firefighter quilt row, kit or top to the next meeting on March 8.

We will be making more firefighter kits on Tuesday, March 14, from 1-4pm. If you like choosing fabrics, cutting kits, binding, or would just like to get to know other members better, please join us in the Clubhouse 4 quilt room.

EDUCATIONAL TIDBIT – Mona Bonbright

March 2023

Lori Holt's Design Boards

I know that February is always short, but the beginning of March continues to sneak up on me. All of a sudden, it is time to write up the March Educational Tidbit. One of the ladies at the February Crazy Quilters Guild meeting asked me, how do I keep coming up with topics for the Educational Tidbits? I had to answer that I really do not know until something inspires me. This month, I am introducing "Lori Holt's Design Boards". You can make your own or you can purchase them.

See the full tidbit on the Crazy Quilters website.
